All this time, I've always thought of myself as just a normal person, unlike Sou who has some special abilities...
And it's not just that, I seem to have a really strong ability...
But it seems that I'm wrong...
Although, this is my own issue, I totally can't imagine...

Nonetheless,
there is indeed someone who is in need of this power...
If...
I really do have the ability to give them a hand... I would like to do something for them...
That's just my opinion...
Because they... seem to be in a dilemma...

Although, this is what I have in mind,
but if you guys were to get Sou involved, don't blame me for getting nasty!
Sui
キッ
No... That's why I'm saying we have no such ideas...
That's right!
There's a possibility of you becoming a murderer,
if something went wrong with the method.

Eh? But
Why are they?
What is he talking about?
Hm...
Who was the one who started all this?
Almost seem like an idiot
Aren't you the one saying such things?
Oh, oh!
It's impossible for us to do this kind of thing, isn't it?!
Annoying
Ha Ha Ha
Come to think of it, you two brothers have a really good relationship
I'm so envious of how the two of you look out for each other.
Eh?

Sui, I would really love to be a good friend of yours.
きゃっ♡
Can I join in, as well?
WHAT ARE YOU SAYING? KEIJI-!!!
And why do you have to grab Sui's hand?
HOW DARE YOU TOUCH SUI SO RANDOMLY?!
KEIJI. I KNOW WHAT YOUR REAL MOTIVE IS! YOU ARE THINKING OF LETTING SUI
Masaki.

Don't worry, even if I'm best buddies with Sui, I will still take good care of you.
WHA..
Who...
Who...
Are you jealous?
WHO THE HELL WOULD GET JEALOUS -?!
I would rather you just leave me alone!
How cross of you've giving me goose bumps all over -
What is that onmyouji really after ...?
What is he thinking...?
I know what this guy is up to!
Huh?

If the key lies with Sui, it wouldn't be good to be his enemy.
Hence, he's taking this opportunity to get on Sui's good side.
AH!
So that's it.
にやり
ふふふふ…
What naivety! You're so stupid, Kunimi Keiji!
A regrettable wrong choice.
Eh?
To get the key, the person you have to be on the good side of is not Sui!
Achilles' heel!
It should be Sou instead! Hahaha!
I however, would like to be best buddies with you more, Sou. ♡
ガシ
レン

Pfft. Anyway, we have a hero/heroine kind of relationship, so we shouldn't have any issues with compatibility.
べた
べた
I've already erased that disgusting moment off my mind, and we are not compatible at all. Let go of me!
Get away from me.
Also, don't call me by my name.
じゃじゃ
Wait.
What...?
Huh?
WAIT A MINUTE! PLEASE DON'T GO NEAR MY SOU RANDOMLY!
Do you want to die under my special power?
ガハぁー
WHOA! HELL. NO! THIS IS NOT FUNNY AT ALL!

However, excluding Takaya Sou, other possibla "heels" would ba...;
!
There are no other possibilities...
Nope...
But come to think of it, it seems logical to target his "Achilles' Heel".
Takaya Sui has a weak personality and is highly emotional.
Although I'm not me because he's trying to ruin their favor.
Is the werewolf a girl?

カッ
にこっ
What's up?
?

OW!
YOU'RE OBVIOUSLY A FAT PIG. WHAT ARE YOU LAUGHING AT?!
WAH!
AH
OOPS!
OWAHHH...
EH? WAIT A MINUTE.
WAHHH!
Kitano!

It hurts.
YOU FAT...
EH?
Wha...
What... is this soft feeling ...?
It's bad that it feels so good

Erm... Are you all right?
YOU... IF YOU WANT TO FALL JUST FALL BY YOURSELF!
Ah... I'm sorry.
HEY! WHY ARE YOU COMPLAINING?
THE REASON WHY KITANO FELL WAS BECAUSE YOU KICKED HIM!
I saw that okay!
AND WHAT THE HELL IS WRONG WITH YOU, WOMAN? YOU'RE ALWAYS SAYING KITANO IS A FAT PIG. DEAD PIG HAS HE OFFENDED YOU IN ANY WAY?
Kurumi you've used PIG quite a number of times already
You're just adding fuel to the fire.
Stop Stop nagging.
It's okay... I don't mind.
After all I'm the one at fault
Here you go again...
Ah really!
She's the one who started it!

The important thing is,
...we have to settle on what we are going to do next.
Surprisingly, the time has passed really quickly...
I'm going to get scolded again
ちらーり..
Eh?
She's not going to throw a fit?
Oh!

That's true, the sky has gotten dark!
We need to go home soon!
It's because we went out of topic...
Not to mention you quite often as well...
That's right, I'm hungry already –
Oh...
Since there's no other ways,
How about we just go ahead with the special training that Kitano has mentioned?
Like ESP card-guessing or opening ki pores
So it's that...
Ah... That dubious stuff...

I'll ask my superiors, see if they would be able to come up with something better.
To be honest, I was just hoping to get rid of the seal sooner that's all...
Forget it... Although it's uncertain it will be effective, let's try it, anyway.
Oh,
I'll go back and ask my clan members, as well.
That's true,
we can work on something else once we have a better idea...
So, it's decided that we will be carrying out the special training I talked about tomorrow, then.
.....
Okay then..
Oh!
I'll bring some poker cards!
Hmm -
Okay -

チラッ
はっ
WHAT?
Do you have an opinion?
No,... nope. It's nothing.
Normally, when Kitano starts interrupting, you'll go crazy and call him a fat pig!
But now, you're just standing there quietly, hence Kitano was wondering if you are okay.
Yup, you, that's right...

I didn't ask you to say it! Argh!
Ah
That
YOU FAT PIG. BIG FAT PIG. DEAD PIG. STUPID PIG-!!!
OKAY FINE! SINCE YOU GUYS ARE HOPING I'LL SAY THAT I'LL DO IT FOR YOUR SAKE!
Oi, don't follow us!
Sui, I'll escort you back home.
That's... That's okay, there's no need.
What's the problem? We have to go back together harmoniously!
Keiji! You are not allowed to touch Sui!
?
ポイッ

The special training starts tomorrow...
Not sure if it's going to work...

If Sou knows it or if I have my memories, then we won't need to have any special training-
SIGH...
I'm still not conscious of my own abilities
.....
Sou,
do you really not know how to unseal my powers?
...Nope.

Sui...
Huh? What?
Do you really want to remove your seal?
Is Sou against it?
Yeah...
I don't wish for Sou to use your powers...

Originally,
I've long decided to take Sui's secret with me into the grave...
And because of that, I decided to join the supernatural research club.
I thought that the most dangerous place would be the safest place to be.
And if there are any news, it will be the first place to know about it...
I see..
I've been thinking...
Why you would join this club when you didn't want to reveal your supernatural abilities ...?
So, all this was because of me.
In the end, joining this club is not effective at all.
Or rather it has become the worst-case scenario
That's okay.

But,
why do you wish for me not to use my powers?
There's no need to hide it anymore.
Is there something else you're worried about?
Yeah...
What is it?
I don't want to talk about it.
Because I'm still thinking too much now...
I don't want to say it out loud, just in case it turns into reality...
What would it be? Although I mind it little.
Sou...
But, I'll do it.
And also because of Sou.

Because of me?
Yup.
Back then, although I can save you when you're facing danger,
it's not a guarantee that the sealed powers can always be used then, right?
So, I hope to be able to control this source of power.
I don't want to not be able to help Sou in case of an emergency.
Sui...
It will be fine,
even though I don't know what Sou is worried about
I have Sou, and Sou has me, so it will all work out well,
right?
Yeah...
That's right...

It's because I am like Sou now!
Huh?
Do you have something you wish to accomplish with your powers?
Although I still don't really get the situation, I'm really happy that I have special abilities, as well...
Haha..
Nah~
Although our abilities are different, we are both abnormal.
Sou...
You're really.
And as long as I can be like Sou, I am happy
But only Sou has special abilities, and to be honest, I felt a little lonely
Since we were young, we do everything together since we are twins, right?
ぎゅむっ♡
I LOVE YOU!!!
Why are you so cute?!
I can't breathe Sou~

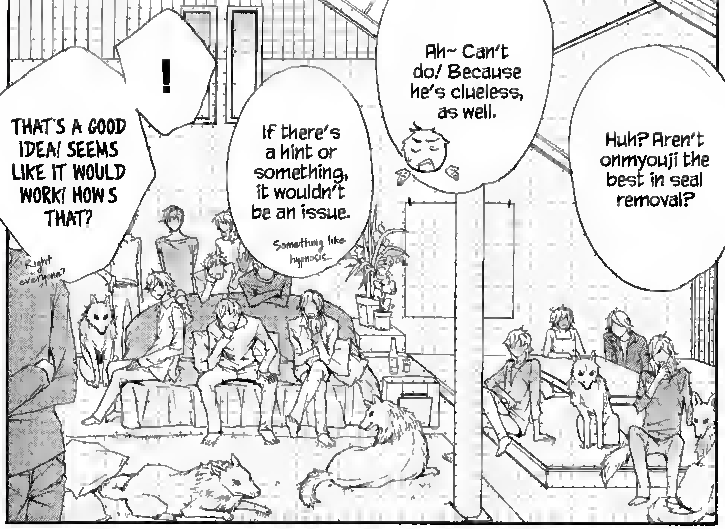
Actually, I really mind what he thought, but Sou doesn't wish to talk about it...
ガラガラガラ…ピッ…
ガラガラガラ…ピッ。
I don't want to say it out loud, just in cause they turn into reality...
シャコ
シャコ
シャコ
シャコ…
What?
It has been reaffirmed that the love between us is brotherly, let's sleep together tonight!
Nope! The bed is too small...
Why? Didn't you say that you're happy that you're like me?
That's two separate matters!
I just said that it is all right for us to be together!
What's the problem? Let's sleep together!
I won't be able to sleep, NO!
Let's!
No!

That's what the situation is.
Before we can control the powers, we have to first find a way to remove the seal.
Hmm...
After obtaining his powers, will he be willing to help our clan?
It shouldn't be a problem.
Oh, I see.
HEY WAIT! DON'T PUT IT THAT WAY AS IF I'M A SPY!
Because our Masaki here has already secured the position of "friend".
ヒュ〜
Hmm?

What happened to you?
It's nothing.
I felt something brush against the barrier...
Brush against the barrier?
Impossible!
There shouldn't be anyone who would try and break a Kunimi barrier, which is known to be impenetrable.
It must be my imagination.

---ren?
Karen?
KAREN!
YES. YES!
What happened to your hand?
Huh?
AH!

Anyway, we'll hand this important mission to you.
Please work hard, so we can enjoy the power.
Yes, please leave it to me!
NO... NOTHING!
Really? That's good to hear.
So that's the situation now...
Is there anyone who might know a good way to have the seal removed?



Ah~ Can't do/ Because he's clueless, as well.
Huh? Aren't onmyouji the best in seal removal?
If there's a hint or something, it wouldn't be an issue.
Something like hypnosis...
!
THAT'S A GOOD IDEA/ SEEMS LIKE IT WOULD WORK! HOW'S THAT?
Right everyone?

Wait a minut...
Even if he can use his powers to let us turn into werewolves,
...it would still be difficult for us to continue the clan line afterwards.

If there aren't any female werewolves to continue the lineage, it's impossible to revitalize the clan...
Until now, there are no mother wolves that are of suitable age.
HUH---

But it would just temporarily increase the amount of werewolves.
HUH? WHY?
AS LONG AS THE WHOLE CLAN CAN TURN INTO WOLVES WOULDN'T OUR CLAN BE REVIVED?
That's right!

LET'S PUT OUR HEADS TOGETHER AND THINK AGAIN EVERYONE!!!
WHAT SHOULD WE DO THEN? OH
HOW? WHAT SHOULD WE DO?

I've... brought a spoon...
Morning.
Great minds think alike?
I've brought the ESP cards.
Morning.
E P S
Morning! As agreed, I've brought the poker cards!
Here.
That's true...
but...
That's right, it definitely won't work until we try something hard.
No, everything has its own beginning!
No matter how we look at it, these look like game props...

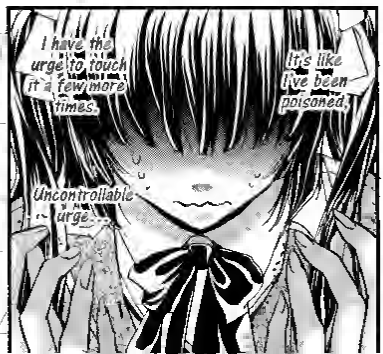
YOU'RE STILL THE SAME... SOU...
Sticking closely to Sui
OF COURSE.
Sou and I are not that different from a pair of conjoined twins
AND YESTERDAY WE REAFFIRMED OUR BROTHERLY LOVE IN BED.
WAIT A MINUTE SOU!
What are you talking about?
The way you speak is a little crude...
Is that on purpose?
WE ONLY SLEPT ON THE SAME BED!
I HAD ALREADY SAID NO BUT SOU KEPT RUNNING INTO MY BED
IT'S OBVIOUSLY A SINGLE BED SO IT WAS REALLY TIGHT!
Ah---
Really...

!?
The way these two guys talk looks like a lover's squabble...
Don't you think so, Kitano...?
But I can't sleep peacefully!!
It can't be helped since your bed is so narrow
ぷにゅっ
ぷにゅっ
Kanatsuki ...?

What do you think you're doing? Don't just... randomly touch Kitano's body...
I WASN'T DOING ANYTHING LIKE THAT!
Yeah, didn't even say hello, just suddenly started touching, it gave me a bit of shock.
No... I don't know what she's up to, but she left after touching Kitano's body...
Eh, wasn't Kanatsuki-san here earlier? Does she have something going on?
Not looking for Sui but finding trouble with Kitano?
I don't think so... Yesterday, she was screaming about fat pigs several hundred times...

Ah, by the way,
after yesterday's fall with Kanatsuki, she looked a little weird.
Yeah! And she didn't get angry in situations where she will usually throw tantrums.
Even when it's time to head back, she keeps looking at me, even though she has this look where she hoped I disappeared from her line of sight!
That's weird, right?
Kitano...
Did I make you angry again...?
In that case, wasn't she just looking for Kitano?
But that girl should be looking for Sui, right?
But she's trying to get close to Kitano instead? And is just touching his body? So confusing!
What? Do you know anything, Sou?!
Unless...

YOU'VE BEEN LOCKED DOWN AS A SCRUMPTIOUS MEAL...
For vampires...
チーン...
DOES THAT MEAN SHE WAS INPSECTING THE QUALITY OF THE MEAT BY TOUCHING HIS BODY?
ALTHOUGH KITANO'S BODY HAS LOTS OF MEAT AND FAT THAT LOOK REALLY APPETIZING...
EVERYONE, WAIT.. I DON'T THINK THAT'S THE CASE! VAMPIRES DON'T EAT MEAT! THEY JUST SUCK BLOOD!!!
And you guys are talking about me as if I'm a pig



AH--- WHAT IS HAPPENING TO ME? WHAT AM I...

AHHHH-
It's wrong
はぁ・・・
It's a
wrong guess
again...

One thing I know for sure... is that I totally have no visibility powers...
Let's just take a break first. It must be tiring to keep concentrating, right?
Are you okay Sui...?
Hmm...
Although you have the abilities, but if you're unable to use it, it's useless, you know.
Is that how my power is like?
Ah!
I suppose?
Even so...
it's still annoying that I can't guess it correctly...
Forget it, once I remember that this power is not related to Sui, I feel okay.

Come to think of it...
What happened with Kanatsuki?
What?
Because you're in a different class, Sou might not know...
After this morning, every time there was a break time, that girl, Kanatsuki, would approach Kitano...
...to squeeze his meat...
むにょっ
And when asked, she refusesdto answer...
That... is there anything I can help you with?
NOPE!
She would end up having a worse temper than before...
ANYWAY IT'S ALL BECAUSE OF THAT BUNCH OF MEAT ALL BECAUSE OF THAT BUNCH OF MEAT!!!
ばし, ばし, ばし,

But, what if you're really targeted?
That girl is a vampire, what if she blurts out that she wants to suck on your blood?
Getting my blood sucked on by a vampire...
If that's the case...
YOU'RE INDEED FOOD...
NO... NO. I DON'T THINK SO!
It should be...
Forget that, let's stop worrying about me and get back to Sui's special training!
So, you're this kind of person...
All my worries are in vain!
What does it feel like to have my blood sucked...?
Would she sink her fangs just as the...
Don't know how she'll suck them.
ぱぁ...
I'm so embarrassed now...

If it goes smoothly, we just might be able to remove the seal immediately!
Speaking of which... It's really suspicious that you can pinpoint the things on that shelf—
